

Epistle of Hope

... our hope is in Christ!

Praise the Lord dear brothers and sisters. How are you all doing in Christ? The world has been gripped by fear, but we have hope and strength that comes from the one that lives in us.

I am glad that the Lord revealed to us His truth in Christ and I only hope that I taught them to you well enough for them to be a source of strength in at this time. Friends, the Word of God is life; it is alive and active in you. Keep your minds on what you know and believe and focus on the one in whom you have put your trust.

We are the light, and our reaction and our talk is different because of who we know.

*Philippians 4:6-7 (KJV) Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. 7 **And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.***

Please check on each other in the department and the church, pray for each other and for us your pastors. We are praying for you and we know that the Lord will protect you in this situation.

The one who is in you is greater than the one who is in the world.

Get yourself into WhatsApp groups to study the word and to pray. Keep the fellowship going.
